Performance

Specification

	Contour
Speeds	2
Extract Performance (l/s)	15/21
Extract Performance (m³/h)	54/76
Electrical Power Rating (W)	6.7/7.7
Specific Fan Power (W/l/s)	0.45/0.37
Sound Pressure Level (dBA @ 3M)	16/29
IP Rating	X4
Motor Type	AC
ErP Compliant	Yes

Sound pressure testing carried out at ISVR, University of Southampton – June 2014

So Simple Installation

Fuss-free fitting

The flexible Simply Silent™ Contour suits wall, ceiling, panel or window installations.

So Simple Installation makes fitting quick and hassle free – wherever it's positioned.

It's all thanks to a range of clever features – like the built-in So Simple quick-fit clamp that allows the fan to be secured simply to ceilings, panels and rigid ducts. Larger cable access slots enable easy wiring.

Three adjustable radial screw fixing points and level reference line ensure flexible and accurate fan alignment. The duct is strengthened to avoid breakage and distortion during installation. Plus, the Simply Silent™ Contour has a hook and clip fan cover – no screws.

Simply Silent™ Wall kit

The revolutionary Simply Silent™ wall kit allows fitting of the outer grille from the inside. Simply push the folded grille through the wall tube and pull the attached string back to secure on the outside wall. Available in four different grille designs, the kit comes complete with wall tube.

So simple to install. So quiet. So stylish.

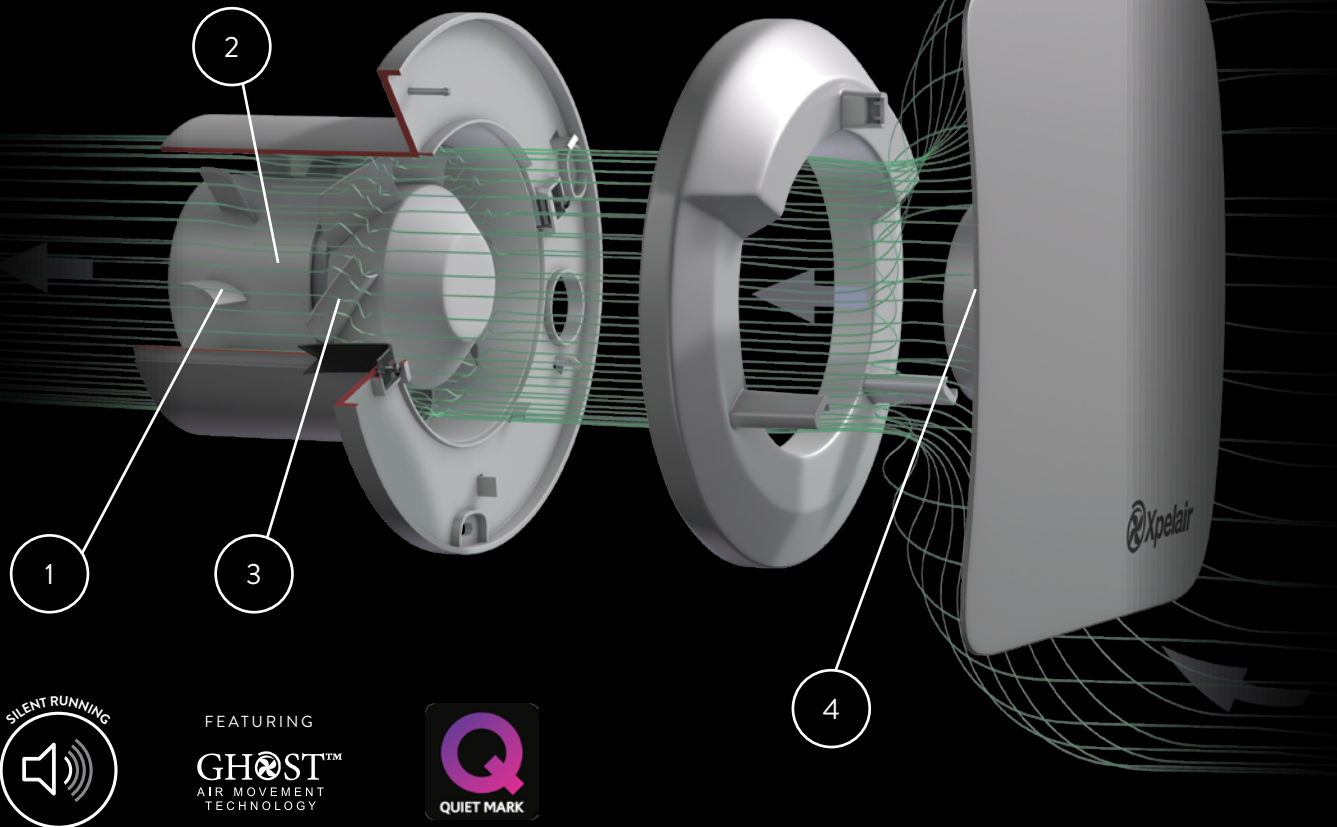

Simply Silent™ Contour Fan

FREE breakfast roll and regular hot drink with every purchase.

Simply Silent™ Contour Extract Fans With Ghost™ Air Movement Technology

The Simply Silent™ Contour range of 100mm extract fans features unique, innovative Ghost™ Air Movement Technology to deliver near-silent running.

Fan noise comes from both the motor and the movement of air. To combat this, Ghost™ Air Movement Technology uses long-life silent running motors and precision engineered components to avoid all forms of mechanical noise. Advanced air flow management eliminates turbulence and irregular air flow paths within the fan.

A look inside

- 1

Flow straighteners guide air through the duct, reducing turbulence.
- 2

Long-life ball-bearing motors suppress motor noise.
- 3

Optimised impeller blade design, maximising performance while minimising noise.
- 4

A cone behind the front baffle directs air straight onto the impeller for optimal airflow efficiency.

Simply Silent™ Contour Product information

The Simply Silent™ Contour range of two-speed (15l/s and 21l/s – selected at install), intermittent extractor fans control humidity, odours and mould growth effectively in bathrooms, shower rooms, cloakrooms and toilets.

Choose either a square or round fascia, include a run-on timer that is fully adjustable when installed (can be set from 30 seconds to 30 minutes once the unit is switched off), or specify a pull cord for on-demand operation. Alternatively, opt for the timer plus a built-in humidistat to regulate humidity automatically. And don't forget the easy-fit wall or quick-fit window kit, available as an add-on.

With so many options, the Simply Silent™ Contour range suits an array of applications and design preferences.

		Design	Timer	Pull cord	Humidistat	Standard

Xpelair Promotion Free Greggs breakfast claim form

Greggs Breakfast Promotion – Terms and Conditions

- This promotion is open to all individual customers aged 18 or over and resident in the UK. (This promotion is not open to Electrical Wholesale/Merchant distributors).
- Purchase of Xpelair Simply Silent™ Contour fans must be made between 01/07/2015 and 30/09/2015. Purchases made before or after these dates will not qualify.
- The closing date for the receipt of all free breakfast claim forms by Redring Xpelair Group Ltd is 31/10/2015.
- Proof of purchase is required for each and every claim and must be sent to Redring Xpelair Group Ltd by post or electronically at www.xpelair.co.uk/breakfast and must include an invoice number and details of the outlet where the Xpelair Simply Silent™ Contour fan was purchased.
- Once the purchase has been verified by Redring Xpelair Group Ltd, a gift card will be posted to the customer whose details were on the claim form. Please ensure that the claim form is completed accurately and fully. Failure to do so may result in gift cards not being received.
- All claims will be settled by gift card, no cash alternative is available. Gift card has a pre-loaded value of £2.25, sufficient at the time of print for the purchase of a Greggs Breakfast Deal. Any additions/upgrades to breakfast roll deal must be settled by the customer.
- Offer only available on purchases of Xpelair Simply Silent™ Contour Models C4S, C4TS, C4PS, C4HTS, C4R, C4TR, C4PR, C4HTR, CV4S, LVCV4S, CV4R, LVCV4R and not on any other product.
- Gift cards will be limited to one card per purchase of a Xpelair Simply Silent™ Contour fan.
- No responsibility can be accepted by Redring Xpelair Group Ltd for any free breakfast claim forms (paper or electronic) that are lost in the post, are incorrectly submitted online, illegible or damaged. Proof of posting does not confirm proof of receipt.
- Redring Xpelair Group Ltd reserves the right to reject any application that does not meet the terms and conditions of this promotion.
- Any Tax, National Insurance or VAT liability resulting from this promotion claim is the responsibility of the claimant to discharge.
- Promotion not valid in Northern Ireland, Republic of Ireland or the Channel Islands. Gift cards may only be redeemed at participating Greggs shops.
- The use and redemption of the gift card is subject to Greggs general terms and conditions which can be found at www.greggs.co.uk/terms-and-conditions under the heading 'Greggs Gifts'.

Promoter: Redring Xpelair Group Ltd, Newcombe House, Newcombe Way, Orton Southgate, Peterborough, PE2 6SE, United Kingdom (please do not post claim forms to this address).

In the event of non-receipt of your gift card within 28 days of submission, please call the promotion claims enquiry line on 01733 456789.
