

DAN DRYER Paper roll holder 655

For paper rolls max. 50xØ10 cm
 Stainless steel
 2-year warranty

This handy DAN DRYER paper roll holder is designed to hold the most typical paper roll sizes. Easy dispensing of paper ensures a hygienic user experience.

Application

Wall-mounted paper roll holder ideal for commercial diaper changing rooms. The dispenser features a lock at both ends, which makes it suitable for corner installation in smaller toilet rooms.
