

**Prestige Paper Towel
Dispenser Satin
Stainless Steel**

77127SS

Materials: Constructed from Type UK 304 stainless steel, 0.7mm gauge with exposed surfaces in a brushed satin finish.

Installation: The paper towel dispenser is designed to be fixed to the wall with a recommended installation height of 1300mm. To fix it to the wall simply open the paper towel dispenser and then you will easily be able to access the fixing points.

Specification: The Prestige Paper Towel Dispenser Satin Stainless Steel is a robust durable dispenser designed with high traffic washrooms in mind. Designed to take either c-fold or multi fold paper hand towels with a maximum capacity of 500 and a visual indicator to show the paper level inside makes this product low maintenance.
