

Prestige Wall-Mounted Bin 28L

PRES35

Materials: Constructed from type 304 stainless steel, exposed surfaces in a brushed finish.

Installation: Remove mounting bracket from rear of the waste bin. Drill two horizontal holes 705mm from the floor 151mm horizontally apart. Drill two further holes for bottom of the bracket 94mm below top fixing points 151mm apart horizontally. This will ensure the bin fits 820mm from the floor. The bottom of the bin will sit 220mm above floor to allow cleaning underneath.

Specification: Prestige Wall-Mounted Bin constructed from type 304 stainless steel, capacity 28 litres. Unit free from sharp edges. Lock is to be flush with surface of the bin.
