Technical Data Sheet

Safeguard Anti-Ligature Jumbo Toilet Paper Dispenser

89424WB White Dispenser / Blue Wall Plate

89424SS Stainless Steel

Jumbo toilet paper dispenser designed to help reduce the potential for self harm.

Product Image:

Product Description:

- Jumbo toilet roll dispenser
- Contemporary angular design reduces the potential to attach a ligature for the purposes of self-harm
- Dispenser fits securely into the recess provided by the wall plate, further preventing the potential for ligature points in high risk areas
- Easy for staff to refill
- Manufactured from high grade stainless steel for robustness and durability
- Finished with an attractive brushed steel surface or powder coated

IMPORTANT:

The anti-ligature design features of this product do not replace or substitute the need for the necessary supervision of those who may be at risk, or for other protective measures to be taken in the specific circumstances of usage.

Dudley Industries Ltd does not claim any product to totally prevent ligatures being attached or make claims that they cannot be damaged by intent through vandalism. It is therefore the customer's responsibility to ensure the suitability of the product for the environment in which they are to be fitted, that they are installed according to the instructions and that the necessary supervision is in place.
