

The Gorillo Blade. Our quietest blade.

One of the quietest blade hand dryers in the world boasting our extra quiet accreditation, our Gorillo Blade dryer puts out as little as 70dB of noise. That's about the same noise level as the music you might play in your living room. With an auto shut-off time of 25 seconds, it's been specifically designed to keep air bursts to an absolute minimum. Astonishingly affordable and an

incredibly popular choice for high-traffic washroom facilities and large building complexes, our Gorillo Blade hand dryer is energy efficient and will save you money. In fact, it costs less than 0.02p per use. That's around £9.00 per year, compared to an average of £70.00 for standard hand dryers.
